EDUCATION

Santa Clara University   **September 2018 – Exp. Grad. 2023**
B.S. General Engineering

SUMMARY

Third year engineering student seeking summer '22 software internship to improve my skills in design and development. Experienced with JS & React, learning Flutter. Prefer front-end/UI/UX

PROJECTS

PASSAGE   **September 2021 - Present**
App Designer   *Santa Clara, California*
- Working collaboratively with peers to deliver STEM education to kids in Latin America through PASSAGE non-profit initiative. Deliverable is an app and a smart water filter
- Creating an app in React Native to provide engaging STEM content and water safety info

Portfolio Website   **November 2021 - December 2021**
Web Design   *Santa Clara, California*
- Created two versions of a portfolio website for myself over the course of two months.
- Designed custom graphics in Figma, coded in React + Tailwind CSS, incorporated GSAP

INRIX   **November 2021**
Hackathon   *Santa Clara, California*
- Created a website comparing public and private transportation in metrics of cost and time
- Built entirely with React.js, worked extensively with Google's API and INRIX's API
- One of seven teams to place in the finals out of 122 participants (team name: 'Publix')

Second Chances   **October 2021**
Hackathon   *Santa Clara, California*
- Automated and designed emails, enacted a mobile-first design leveraging CSS knowledge
- Won third place in the hackathon out of over 60 participants, as a team of one

WORK EXPERIENCE

Freelance Web Design   **December 2021 - Present**
Client: Dr. James M. Binnall   *Santa Clara, California*
- Working with client to prototype & design website in Figma, then code w/ React & Sanity.io
- Fully customizable, editable (through Sanity.io), mobile-first responsive website design

Safeway   **April 2021 - June 2021**
E-Commerce Employee   *Santa Clara, California*
- Managed general in-store responsibilities while picking and packaging for customers
- Maintained positive customer-employee relationships while balancing customer demands

PROFESSIONAL EXPERIENCE

Alpha Kappa Psi Business Fraternity   **January 2019 - Present**
Pledge Class VP/Head of Fundraising Committee   *Santa Clara, California*
- Dispersed information from the Pledge President to the pledge class and delegated tasks
- Communicated with a team of 8 contemporaries as Head of the Fundraising Committee.

SKILLS & CERTIFICATES

- Skills/Frameworks*: HTML, CSS, Tailwind CSS, JavaScript, React, React Native, Figma*
- **Certificates: JavaScript Algorithms & Data Structures** *(Free Code Camp, Dec. '21)*
